Dear Parents

Up and Coming Events; Reception Sports Day, Film Club to Cinema, Nursery Parent Induction, Summer Fair, Reports issued, Musicians in assembly

Thank you to the cooks who provided a wonderful American Independence special lunch. We are very lucky that the ladies go that extra mile for our children.

Transition

This week the children have enjoyed spending time in their new class. I have even heard some children saying they wanted to stay in their "big" class. That is exactly what we want!!

LPPA

Front Street have been successful in being re-awarded the Leading Parent Partnership Award for a second time. The award recognises the successful joint partnership we have maintained with our community, parents and carers. Thank you for your continued support.

Mobile Phones

Please remind your children the dangers of using their mobile phones when crossing the road and not looking. There was an incident this week when one of our children was almost knocked down because they were engrossed in looking at their screen and not paying attention to the road.

The good guys: super mini heroes of nature.
